# FOREWORD

“Lives of great men all remind us  
We can make our lives sublime,  
And departing leave behind us  
Footprints on the sands of time.”

—Longfellow

In future years we will find in this ECHO of 1953 the footprints that we as students of Jamestown High have made in our days of work and play here. We wish to preserve the memories of our experiences and friendships during the school year 1952-53 and hope that you will enjoy sharing with us this book as much as we have enjoyed making it.

## SPORTS

The Jamestown football team was a rebuilt one this year with only four of last years first eleven back. Although hindered by lack of experience, they posted a record of nine wins and two losses, the best season for the team since 1943. The Tigers were undefeated in County play until they met the strong Bessemer eleven who handed them their first defeat of the season. This year the gridders took in three newcomers on their schedule in Siler City, Troy, and Durham County. Siler City handed the Tigers their second loss of the year in a hard fought ball game. The most thrilling game of the season came when the Tigers traveled to Durham to play the strong Durham Counts, a class AA school. It was a hard fought contest all the way for both teams. Durham led at the half 6-0 but shortly after intermission Rahlo Fowler cut over left tackle reversed his field, and literally outran the Durham Counts' safety man for a T. D. Jimmy Ward calmly placed the winning point through the upright by a placement. Rahlo Fowler was runner-up in the county and seventh in the state scoring race. The seniors Jimmy Ward, Kenneth Layton, Robert Pegram, George Crickmore and Richard Welborn will be missed tremendously but the prospects for the next year are very bright with several experienced lettermen returning.

During the Basketball season the boys were again hampered by the lack of experienced players since none of the returning lettermen played first string last year. Coach Hedrick has assembled a well balanced team that continues to improve with every game. As this is written in the middle of the season we predict that the team will give a good account of itself along about tournament time.

Coach Klosterman's girls are enjoying a very successful season. With four of last year's starting six returning, they are rated as one of the top teams in the county. Sonja Strait is leading the way with a thirty-five point per game average. Co-captains Helen Gallimore and Carma Willard have helped keep up the team spirit. Our guards, Helen Gallimore, Nellie Manning, and Joanne LaPrade have the best defensive record in the county.

The prospects are fair for this years baseball team although only eight men of last years team are returning. They are planning to enter the state contest.

The wrestlers with few exceptions, are more experienced than last years team. With three All State wrestlers, Rahlo Fowler, Freddy Little, and Dickie Kerr on the squad, they are rated as a strong team in the conference this year.
